(2) An officer level employee designated by the Secretary at the Ministry shall act as the secretary of the committee.

(3) The secretariat of the committee shall be situated in the Ministry.

(4) The Ministry shall make available such employees as may be required for the secretariat of the committee.

(5) The rules of procedures relating to the meeting of the committee shall be as prescribed.

6. Functions, duties and powers of the committee: The functions, duties and powers of the committee shall be as follows:

(a) To approve plans and programs relating to the security of the health workers and health institutions and implement, or cause to be implemented such plans and programs,

(b) To maintain coordination between the concerned bodies as to the security of the health workers and health institutions,

(c) To provide compensation, on behalf of the health workers and health institutions, to the concerned persons pursuant to court judgments,

(d) To give suggestions to the Government of Nepal in respect of the policies to be pursued on the security of the health workers and health institutions,

(e) To perform such other functions as may be prescribed.

7. Name to be registered: (1) Any health workers or health institutions who intend to have security pursuant to this Act shall have to register their names with the committee.

(2) An application, accompanied by the certificate obtained by them from the health related professional council, in the case of a health worker who intends to get his or her name registered pursuant to sub-section (1), and by the certification of incorporated obtained in accordance with the laws in force, in the case of a health institution who so intends to get its name registered, has to be made to the committee.

Provided that a governmental health institution shall not be required to attach the certificate of incorporation.

(3) If, upon examination of an application received pursuant to sub-section (2), it appears reasonable to register the name, the committee shall enter the name of such a health worker or health institution in the register and give a certificate thereof in the prescribed form to the applicant.

8. Fees to be paid: (1) In making an application pursuant to Section 7, there shall be charged the fees as prescribed.

(2) The health workers and health institutions shall have to pay the fees as prescribed to the committee each year.

Provided that in making a request for permanent security pursuant to sub-section (3) of Section 4, a non-governmental health institution shall have to pay such additional fees as prescribed.

9. Crossing name off the register: In any of the following circumstances, the committee may cross the name of a health worker or health institution off the register:

(a) if the committee receives information that the worker or institution is not eligible to perform acts of health services under the laws in force,

(b) if the worker or institution fails to pay the fees referred to in sub-section (2) of Section 8,

Bhumi Kharel
Bhuminand Kharel
(Technical Officer)

- (c) if the worker or institution makes an application to the committee for the crossing the name off the register,
- (d) if the registration of the health worker or health institution is cancelled pursuant to the laws in force.

10. Records to be updated: The committee shall update the records of the health workers and health institutions which have been registered pursuant to this Act.

11. Committee to bear expenses incurred in defense: (1) The committee shall bear such reasonable expenses as may be incurred in the defense made by the concerned health worker and health institution in a case filed in a court claiming for compensation against such a health worker and health institution.

Provided that the committee shall not bear any expenses incurred in the defense in relation to any loss and damage resulted from a malafide intention or serious recklessness on the part of such a health worker or health institution.

(2) A health worker or health institution intending to request for the provision of the defense related expenses from the committee pursuant to sub-section (1) shall have to provide such description as may be prescribed to the committee.

12. Provision of fund: (1) There shall be a fund by the name of the health worker and health institution security fund.

(2) The following amounts shall be credited to the fund:

- (a) Amounts received from the Government of Nepal.
- (b) Amounts received pursuant to Section 8,
- (c) Amounts received from any other source.

Bhumi Khatwal
Bhuminand Khatwal
(Technical Officer)

(3) The amounts of the fund shall be deposited in an account opened with any commercial bank within Nepal.

(4) The fund shall be operated as prescribed.

13. Use of fund: The amounts credited into the fund may be spent in the following acts:

(a) To make payment of the amount pursuant to a judgment handed down by a court ordering the provision of compensation to the concerned person in relation to the services provided by any health worker and health institution,

Provided that the committee shall not bear the amount of compensation required to be provided to the concerned person by a court judgment in relation to any loss or damage resulted from the mala fide intention or serious recklessness on the part of the health worker and health institution.

(b) To make payment of such reasonable expenses as may be incurred in making defense in a case filed in a court against the health worker and health institution,

(c) To carry out the functions of the committee.

14. Accounts and audit: (1) The accounts of the incomes and expenses of the fund shall be maintained in accordance with the laws in force.

(2) The accounts shall be audited by the Auditor General.

15. Punishment: (1) A person who commits the following offense shall be punished as follows:

(a) a fine of five thousand rupees to twenty thousand rupees according to the gravity of offense in the case of the
