(Production Officer)

manner, necessary high standard health services for the diagnosis and treatment of cancer diseases and rehabilitation of cancer patients and to prepare such human resources as may be required for high standard study and research works on cancer diseases, with a view to eternally commemorating people's leader late Bisheswor Prasad Koirala;

Now, therefore, Parliament has enacted this Act in the twenty fifth year of the reign of His Majesty King Birendra Bir Bikram Shah Dev.

1. Short title and commencement: (1) This Act may be called the "B.P. Koirala Memorial Cancer Hospital Act, 2053(---)".

(2) This Act shall come into force on such date as the Government of Nepal may appoint, by a notification in the Nepal Gazette.³

2. Definitions: Unless the subject or the context otherwise requires, in this Act:

(a) "Hospital" means the *B. P. Koirala Memorial Cancer Hospital* established pursuant to Section 3.

(b) "Board" means.....⁴ the Board of Governors of the Hospital formed pursuant to Section 7.

(c) "chairperson" means the chairperson of the Board.

(d)⁵ "member" means the member of the Board, and this term also includes the chairperson of the Board.

(e) "executive director" means the executive director appointed pursuant to Section 12.

(f) "prescribed" or "as prescribed" means prescribed or as prescribed in the rules⁶ framed under this Act.

¹ Appointed as to come into force on 2054.2.3 (13 May, 1997)

¹ Deleted by the First Amendment.

² Amended by the First Amendment.

(Production Officer)

3. **Establishment of B. P. Koirala Memorial Cancer Hospital:** (1) One B. P. Koirala Memorial Cancer Hospital is hereby established as a national referral hospital in order to enable the cancer patients to spend humane life by providing, in an easily available manner, necessary high standard health services for the prevention of cancer disease, diagnosis and treatment of cancer diseases of persons who are suffering from the same and to prepare such human resources as may be required for high standard study and research works on cancer diseases and make this sector self-reliant;
- (2) The Hospital shall be established in Bharatpur of Chitwan District, and a branch and unit of the Hospital may also be established in another District, as required.
4. **Hospital to be autonomous body:** (1) The Hospital shall be an autonomous body corporate with perpetual succession.
- (2) The Hospital shall have a separate seal of its own.
- (3) The Hospital may, like an individual, acquire, use, sell and dispose of, or otherwise deal with, any movable and immovable property.
- (4) The Hospital may, like an individual, sue by its name and be also sued by the same name.
5. **Objectives of Hospital:** The objectives of the Hospital shall be as follows:
- (a) To enable the cancer patients to spend humane life by providing, in an easily available manner, necessary high standard health services for the prevention, diagnosis and treatment of cancer diseases of the patients,
- (b) To have self-reliance in this sector by preparing such human resources as may be required in the field of treatment of cancer

⁶ Amended by the First Amendment.

diseases, and do, or cause to be done, high standard study and research works on cancer diseases,

- (c) To develop such systems on the use, storage and replacement of radioactive materials for and process of operation of equipment used in and other safety measures on the prevention, diagnosis and treatment of cancer diseases as are not contrary to the international norms and practices,
- (d) To launch national cancer disease control programs.

6. Functions, duties and powers of Hospital: The functions, duties and powers of the Hospital shall, in addition to the functions, duties and powers mentioned elsewhere in this Act, be as follows:

- (a) To provide high standard health services for the prevention, diagnosis and treatment of cancer diseases.
- (b) To launch a national cancer disease control program for the prevention, diagnosis and treatment of cancer diseases,
- (c) To prepare necessary human resources for the prevention, diagnosis and treatment of cancer diseases.
- (d) To do, or cause to be done, study and research works on cancer diseases.
- (e) For the prevention, diagnosis and treatment of cancer diseases, to maintain contact and coordination with native and foreign governmental and non-governmental organizations, and prepare national policies, plans and programs thereon and submit the same to the Government of Nepal.
- (f) To provide technical assistance to the agencies involved in prevention, diagnosis and treatment of cancer diseases.

- (g) To pursue safety measures and techniques in using, storing, replacing radioactive materials to be used in the acts of prevention, diagnosis and treatment of cancer diseases.
- (h) To provide scholarships, medals and prizes on prevention, diagnosis and treatment of cancer diseases.
- (i) To develop referral system of cancer diseases and expand services through network hospitals and associated agencies.
- (j) To prescribe and collect fees for the health services to be provided by the Hospital.
- (k) To make well-arrangement of the Hospital.
- (l) To build, expand and repair the Hospital.
- (m) To arrange for such equipment and facilities as required for the improvement in and expansion of the services of the Hospital.
- (n) To submit, through the Board, the annual report of the Hospital to the Government of Nepal.
- (o) To give information of the policy decisions made by the Hospital and of the implementation thereof to the Government of Nepal in a periodic manner,
- (p) To carry out, or cause to be carried out, such other functions as may be required for the accomplishment of the objectives of the Hospital.

7.7 **Governing Board of Hospital:** (1) There shall be formed a Hospital Governing Board consisting of the chairperson and members, as follows, for the operation, looking after and management of the Hospital, by performing

	Nepal from amongst the renowned persons involved in the social service sector as to include at least one woman	-Member
(i)	Representative, National Health Research Council	-Member
(j)	Executive Director	-Member Secretary

(2) The term of office of the members nominated pursuant to sub-section (1) shall be three years.

(3) Notwithstanding anything contained in Sub-section (1), if a nominated member does not perform functions honestly or fails to perform the duties of his or her office or suffers from incompetency, the Government of Nepal may remove such a member from the office of member at any time.

Provided that prior to so removing him or her from office, he or she shall not be deprived of an opportunity to defend himself or herself.

(4) If the Board so thinks necessary, it may invite any expert to attend its meeting as an observer.

(5) The procedures relating to the meetings of the Board shall be as determined by the Board itself.

8. Cessation of membership: (1) The chairperson or member of the Board, other than the ex-officio member, shall cease to hold his or her office in any of the following circumstances:

- (a) If the member dies;
- (b) If the term of office expires;

If resignation tendered before the Board is accepted;

Devi Regmi
(Production Officer)

(d) If the member, without giving a notice, absents himself or herself from eight consecutive meetings of the Board;

(e)

(2) If the office of chairperson or any member falls vacant owing to any circumstance as referred to in sub-section (1), another chairperson or member may be nominated for the remainder of term.

9. **Act and action not to be invalid:** Notwithstanding that any act or action has been done or taken following any error in the formation of the Board or vacancy in the office of any member, such act or action shall not be invalid merely on that ground.

10.¹⁰ **Functions, duties and powers of chairperson:** (1) The functions, duties and powers of the chairperson shall be as follows:

- (a) To prepare and enforce such plans and programs as required for the operation of the Hospital effectively,
- (b) To implement, or cause to be implemented, the decisions made by the Board,
- (c) To cause annual programs of the Hospital to be prepared and submit them to the Board.

(2) The other functions, duties and powers of the chairperson shall be as prescribed.

11. **Functions, duties and powers of member secretary of the Board:** The functions, duties and powers of the member secretary of the Board shall be as prescribed.

(Production Officer)

⁹ Deleted by the First Amendment.
¹⁰ Amended by the First Amendment.

12. Executive director, adviser and other employees: (1) The Board shall appoint one executive director for the operation of the day-to-day administration of the Hospital.

(2) The Hospital may, as required, appoint other advisers and employees.

(3)¹¹ The facilities of the members and advisers of the Board shall be as prescribed

(4)¹² The qualification, appointment, remuneration and terms and conditions of service and facilities of the executive director and employees shall be as prescribed.

13. Functions, duties and powers of executive director of the Board: The functions, duties and powers of the executive director shall be as prescribed.

14.¹³ Restriction on member of the Board and employee of the Hospital: No member of the Board, adviser, executive director and employee of the Hospital shall be entitled to take part directly or indirectly in any transaction or contact with the Hospital.

15. Restriction on making claim for compensation against the Hospital: If a patient admitted to the Hospital for the treatment of cancer disease sustains any kind of adverse physical impacts as a result of the use by a doctor or health worker of the Hospital of radioactive materials and other drugs in the prescribed dosage by following the prescribed procedures in the course of medical treatment of such a patient, such a patient shall not be entitled to make a claim for pecuniary or any other kind of compensation against the Hospital and a doctor or health worker of the Hospital.

¹¹ Amended by the First Amendment.
¹² Inserted by the First Amendment.
¹³ Amended by the First Amendment.

Devi Regmi
(Production Officer)

Provided that where a patient sustains any kind of adverse physical impacts as a result of the use by a doctor or health worker of the Hospital of radioactive materials and other drugs in deviation of the prescribed dosage and procedures in a reckless or negligent manner, this Section shall not be deemed to bar the making of claims for compensation against such a doctor or health worker.

16. Powers to examine dead body for study and research: (1) If a patient admitted to the Hospital for the treatment of cancer disease gives consent to have his or her dead body examined for study and research on such disease after his or her death, the Hospital may examine the dead body accordingly prior to cremation of that dead body.

(2) If any patient admitted to the Hospital dies prior to giving consent for study or research pursuant to sub-section (1), nothing shall be deemed to prevent the Hospital from examining the body of such deceased for any study or research on cancer diseases.

(3) The other procedures and terms and conditions on giving and taking consent for the examination of dead body pursuant to sub-section (1) shall be as prescribed.

17. Fund of the Hospital: (1) The fund of the Hospital shall consist of the following amounts; and the expenditures of the Hospital shall be chargeable on the fund:

(a) Amounts received from the Government of Nepal for the Hospital,

(b) Amounts received from any foreign governments or international organizations,

(c) Amounts received from the services rendered by the Hospital.

Devi Regmi
(Production Officer)

(d) Grants received from various persons,

(e) Amounts received from other sources.

(2) The amounts received from the Government of Nepal, foreign governments or international organizations shall be spent on that program or act for which such amounts have been received by the Hospital.

(3) The fund of the Hospital shall be operated as prescribed.

18. Exemptions and facilities for the Hospital: (1) The Hospital shall be exempted from customs, sales tax,¹⁴ and registration fees on the following matters:

(a) Necessary constructional materials, machineries and tools imported from abroad for the building and operation of the Hospital,

(b) Scholarship, academic stipend and reward to be provided by the Hospital,

(c) Gifts, donations, grants received by the Hospital, and its other sources of income and properties of the Hospital, and

(d) Registration of indenture of immovable property to be purchased by the Hospital.

(2) Prior to importing the goods as referred to in clause (a) of subsection (1), the Hospital shall submit a price list and quantity of such goods to the Ministry of Finance, through the Ministry of Health and Population and Population.

19. Accounts and audit: (1) The accounts of the incomes and expenditures of the Hospital shall be maintained as prescribed.

¹⁴ Deleted by the Income Tax Act, 2058 (2001).

Devi Regmi
(Production Officer)

(2) The audit of the incomes and expenses of the Hospital shall be performed by the Office of the Auditor General.

20. **Powers to form technical committee:** (1) The Board may form a technical committee, as required, for the provision of such technical service and assistance as may be required for the Hospital.

(2) The functions, duties, powers and procedures of the technical committee formed pursuant to sub-section (1) shall be as prescribed.

21. **Delegation of powers:** The Board may, as required, delegate any of the powers conferred to it under this Act or the rules framed under this Act to any member of the Board, the executive director or any officer employee of the Hospital.

22. **Powers to give direction:** The Government of Nepal may give direction to the Hospital on such policy matters as deemed necessary by it to implement the objectives of this Act; and it shall be the duty of the Hospital to observe such direction.

23. **Liaison with the Government of Nepal:** Where the Hospital has to make contact with the Government of Nepal on policy matters relating to the treatment and prevention of cancer diseases, it shall do so through the Ministry of Health and Population and Population,¹⁵ and on the other matters, the Hospital may directly contact with any Ministry or office of the Government of Nepal.

24. **Powers to frame rules:** The Board may frame necessary rules for the accomplishment of the objectives of this Act.

¹⁵ Amended by the First Amendment

Devi Regmi
(Production Officer)

¹⁶Provided that in framing rules on matters involving an economic burden on the Government of Nepal, consent of the Government has to be obtained.

25. Powers to make manuals: (1) The Hospital may so make and enforce such manuals as may be required for the implementation of the rules and norms fixed by international organizations in respect of the use, storage and replacement radioactive materials to be used in the treatment of cancer diseases that such manuals are not contrary to this Act and the ruled framed under this Act.

(2) Pending the making of the manuals as referred to in sub-section (1), the Board may pursue, or cause to be pursued, the rules and norms fixed by the international organizations in this respect.

(3) It shall be the duty of all the concerned to observe the manuals enforced pursuant to sub-section (1) or the rules and norms pursued pursuant to sub-section (2).
